(By Associated Press). NEW YORK, Nov. 2. —The tone of the stock market today was reflective of the determination to meet the situation after the election from the best possible vantage position, Prices were quietly and presistently lifted during the session, some of the leading stocks selling at the highest level of the year, and the average level of active stocks coming in the elec

The Union Pacific September earn ings was made the nominal reason for the recovery in that stock to the highest price of the year. Further reports coming to hand of railroad arnings for September showed gains in gross earnings by the Western grain carriers. The Pennsylvania New York Central statements for September given out today showed heavy declines in gross earnings and the cut in operating cost sufficient only partly to offset this loss.

The same thing was apparent with the minor trunk lines, Erie; Norfolk & Western and Chesapeake & Ohio being amongst those reporting today.

For Her Children-Little Girls Suffered with Itching Eczema Which Simply Covered Back of Heads— Baby Had a Tender Skin, Too.

ALL PROMPTLY CURED BY "WONDERFUL OINTMENT"

"Some years ago my three little girls had a very bad form of eczema. Itching eruptions afformed on the backs of their heads which were simply covered. Before I heard of Cuticura, I used to try almost everything, but they failed. Then my mother recommended the Cuticura. I washed my children's heads with Cuticura Boap and then applied the wonderful ointment, Cuticura. I did this four or five times and I can say that they have been entirely cured. I have another baby who is so plump that the folds of skin on his neck were broken and even bled. I used Cuticura Boap and Cuticura Ointment and the next morning the trouble had disappeared. I am using the Cuticura Remedies yet whenever any of my family have any sores. I can never recommend Cuticura sufficiently; it is indispensable in every home. I cannot field its equal. Mine.
